

Florence, Italy / September, 21-25, 2020
Palazzo dei Congressi / Palazzo degli Affari

2020 IEEE Radar Conference

Renaissance meets advancing technology

IEEE RadarConf 20 is coming!

The IEEE Radar Conference is considered the most important scientific conference in the world in the field of radar technology. It represents an invaluable occasion to get in touch with the worldwide leaders of research and to foster collaborations among industry, academia, and research centers.

Honorary Chair: Alfonso Farina (Consultant, Leonardo SpA)

General co-Chairs: Fulvio Gini and Maria S. Greco (University of Pisa)

Technical Program co-Chairs: Antonio De Maio (University of Naples "Federico II"),
and Pierfrancesco Lombardo (University of Rome "Sapienza")
